

Memorial Day Car Show

For over 40 years, **Make-A-Wish New Jersey** has been serving families in the Garden State by granting wishes for children diagnosed with critical illnesses. To date almost **13,000** wishes have been granted. These wishes instill hope, strength and joy for children when it matters most!

Join The Original Garden State Corvette Club in supporting MAWNJ at the Silver Diner on May 25, 2026, at our annual Memorial Day Car Show, a portion of the proceeds collected will be donated to MAWNJ. Your participation in this campaign has the power to make more wishes come true!

Thank you so much for your generosity and support!
